With this year's Conference Theme: **"ENABLING RURAL BANKS AMIDST CHANGING TIMES,"** we are excitedly looking at how rural banks can adopt to new innovations and technologies in the banking industry, sustain profitable banking operations through effective credit access and guaranty programs while strengthening its regulatory compliance. Amidst changing times, we see challenges and opportunities that we could all work with, share and reap with the communities we are working with, thus propelling us to fulfill our mandate of promoting countryside development.
