INTRODUCING THE MERGER OF
MARIKINA VALLEY RURAL BANK
AND BANK OF SAN MATEO

In Celebration of the 55th year anniversary of MVSM, we bring to you a bigger institution that strengthens the stability of your partner bank.

Our valued clients will continue to enjoy simple and hassle-free service, lower loan interest rates and higher deposit rates - from the same branch management and staff of the Marikina Valley Rural Bank and the Bank of San Mateo, both pioneer rural banks in the Philippines, now going under one name: MVSM Bank (A Rural Bank Since 1953)

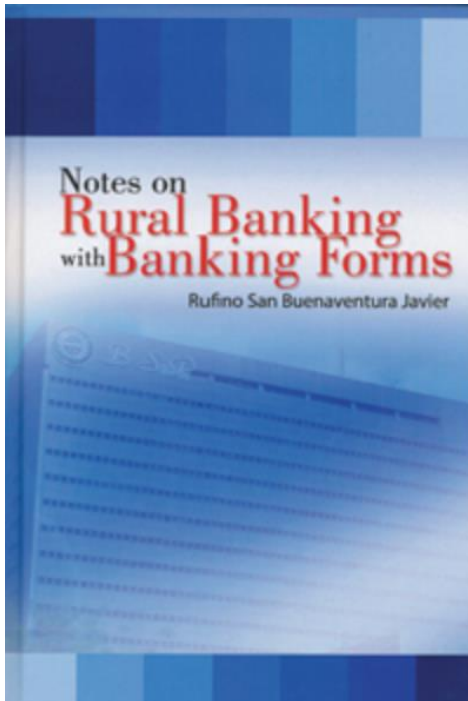

These banks stood as strong pillars of these communities. Over the years, they supported the growth of not only the Marikina shoe industry but other businesses as well. As their branch family grew across the towns and cities of Metro Manila and Rizal, so did their clients - a true partnership that has been tested by time.
